

**Are you interested in working  
with children with autism in the  
home or in the community?**

STEPS is now hiring therapy assistants who:

- Are enthusiastic and enjoy working with children and teams.
- Have weekday afternoon availability between the hours of 3:00-7:00 PM and/or weekend availability.
- Can commit to a minimum of 10 hours per week and anticipate this consistency throughout the upcoming year.
- Have a car and valid driver's license.

Hourly compensation for this position varies based on experience with opportunities for growth. STEPS consultants/BCBA's provide ongoing training, supervision and support to all therapy assistants.
